

*Gong Xi Fa Cai*

新年快乐

*"A journey of a thousand miles begins with a single step" – Chinese proverb*

In this joyous year of the tiger, we have decided to also prosper others by going digital with our festive greetings.

The money we save from not printing and mailing cards will be channelled into our ERM Foundation in Malaysia.

The ERM Foundation (a not-for-profit organization) was established to enable ERM and its employees to support environmental initiatives that create social benefits around the world.

*May every step you take in this new year, bring you never-ending happiness, wealth in abundance and roaring success !!*
