Subject: Environmental Impact Assessment for Exploration Drilling within Block ER236, off the East Coast of South Africa

Good Morning Ms Fisher,

As discussed telephonically, the draft EIA for the Exploration Drilling within Offshore Block ER236 off the coast of KZN is currently available for comment. A hard copy of the report has been sent to the DEA for the attention of Millicent Solomons. The report is also available on the project website: <https://www.erm.com/eni-offshore-eia>

The comment period has been extended to 8 November 2018. Should you wish submit comment, please provide your comment to ERM:

Email: eni.offshore.eia@erm.com

Post: Postnet Suite 90, Private Bag X12, Tokai, 7966

Please do not hesitate to contact me should you require any further information.

Have a lovely day

Kind Regards

Amishka Mothilal

Dear Ms Fisher

I trust this email finds you well. Your Department / Directorate was identified as a commenting authority to provide input into the Draft Environmental Impact Assessment (EIA) Report for Exploration Drilling within Offshore Block ER236, KZN, South Africa. The comment period was open from 25 September to 8 November 2018.

ERM has not received any comment from your Department / Directorate to date. You are reminded that failure to submit comments with 30 days will, in terms of sub-regulation 3(4) of the EIA Regulations, 2014 be regarded as no comments.

Kindly respond to this email to let us know if you still intend on submitting comment.

Subject: EIA for Exploration Drilling within Offshore Block ER236, KZN, South Africa

Dear Kerry

I hope that you are well. I am just following up on the EIA for Exploration Drilling within Offshore Block ER236, KZN, South Africa. I wanted to make sure that you have been able to access the report, if you have any questions about the project, and whether SANBI will be providing comment.

Please let me know if you would like to discuss anything related to the EIA or Project.

Kind regards
Lindsey
