Subject: Environmental Impact Assessment for a Solar Farm at South Deep Mine, Westonaria, Gauteng

ERM Ref: 0390166  
DMR Reference: GPS/1/22(220) MR

Dear Stakeholder,

**RE: Environmental Impact Assessment for a Solar Farm at South Deep Mine, Westonaria, Gauteng**

Goldfields South Deep Mine, in partnership with Enel Green Power, proposes to design, construct, and operate 2x20MW Solar PV plants on Mine owned property within the Goldfields South Deep Mining Right in Westonaria, Gauteng, South Africa. The Solar PV Plant will be connected to the mines 11kV power grid.

The Project requires Environmental Authorisation (EA) from the National Department of Mineral Resources (DMR) under the National Environmental Management Act (NEMA) (Act No. 107 of 1998), as amended, through an Environmental Impact Assessment (EIA) process.

This notification serves to announce the commencement of the EIA process and to inform you that the Draft Scoping Report is available for comment. For further information about the EIA, the associated public participation process and how you can register as an Interested and Affected Party (I&AP), please refer to the attached Background Information Document.

The Draft Scoping Report available at the following locations or electronically on request from ERM:

- Online at: [www.erm.com/southdeepsolar](http://www.erm.com/southdeepsolar)
- Westonaria Public Library
- Carletonville Public Library
- Fochville Public Library
- ERM's offices in Woodmead Park (Sandton, Gauteng)

You are invited to attend a public meeting to find out more about the Project. You will also be able to raise issues and pose questions to the Project team.

Date: 7 June 2017  
Location: Westonaria Community Hall, Neptunus & Saturnus St, Westonaria  
Time: 12:00 – 16:00

To register as an I&AP, to RSVP to the public meeting invitation or to submit comment on the Draft Scoping Report, respond to Alan Cochran of ERM:
