ERM Ref: 0414229

Exploration Right Number: 12/3/236

RE: EIA for Exploration Drilling within Offshore Block ER236, KZN, South Africa: Availability of isiZulu Draft EIA Report for Public Comment and Extension of the Comment Period

Dear Stakeholder,

Eni South Africa BV (Eni), and Sasol Africa Limited (Sasol) hold an Exploration Right 12/3/236 (ER 236) off the East Coast of South Africa. Eni has the operatorship of Block ER236. Eni and Sasol are considering the possibility of conducting an exploration drilling programme in Block ER 236 to assess the commercial viability of the hydrocarbon reservoir for future development. The project requires Environmental Authorisation (EA) from the National Department of Mineral Resources (DMR) under the National Environmental Management Act (NEMA) (Act No. 107 of 1998), as amended, through an Environmental Impact Assessment (EIA) process. Notice was given on 25 September that the Draft EIA Report is available for a 30 day comment period from 26 September 2018 to 25 October 2018.

Following stakeholder requests made at the Open House meetings in Richard's Bay and Durban, this notification serves to inform stakeholders that draft EIA report has been translated into isiZulu and is available electronically on the Project website: www.erm.com/eni-exploration-eia, and on request from ERM. A hardcopy of the translation will be made available at the following public locations by Monday 22 October 2018:

- Durban Central Lending Public Library
- Austerville Library
- Richards Bay Library
- Port Shepstone Library
- East London Central Library
- Nelson Mandela Bay Municipality – Linton Grange Library
- ERM offices, Suite S005, 17 The Boulevard, Westway Office Park, Westville

In light of the above, and in response to stakeholder requests, the comment period has been extended and will now close on **8 November 2018**. Stakeholders are invited to submit comments on the Draft EIA Report to ERM:

Email: eni.offshore.eia@erm.com

Tel: 021 681 5400 or 011 798 4300

Project Website: www.erm.com/eni-exploration-eia

Post: Postnet Suite 90, Private Bag X12, Tokai, 7966

Your comments will be incorporated into a comments and responses report which will be included in the Final EIA Report to be submitted to PASA for consideration. Please ensure that your comments reach ERM on or before **8 November 2018** so that they can be included in the final EIA. Please contact ERM should you have any questions.

Thank you for your participation in this process.

Yours sincerely,

ERM Team
